AUDITORS' REPORT

To the Members

Report on Financial Statements

We have audited the accompanying financial statements of the **Canadian Mental Health Association, Mid Island Branch**, which comprise the statements of financial position as at **March 31, 2017**, and the statements of changes in net assets, revenues and expenditures, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

AUDITORS' REPORT

(Continued)

Basis for Qualified Opinion

As is common with many not-for-profit organizations, the association derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the association and we were not able to determine whether any adjustments might be necessary to donations and fundraising, excess of revenues over expenditures, assets, or net assets.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the **Canadian Mental Health Association, Mid Island Branch** as at March 31, 2017, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

As required by the *Society Act of British Columbia*, we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

2. Significant accounting policies - continued

- Revenue recognition

The association follows the deferral method of accounting for revenue. Contributions received are recognized in the period to which the funding contract relates. Program funds received in advance of service performed are recorded as deferred revenue. Unrestricted donations are recognized when received or receivable if the amount can be reasonably estimated and collection is assured. Revenue from events are recognized when the event occurs and when the amount can be reasonably estimated and collection is reasonably assured.

- Use of estimates

The preparation of the financial statements of the association in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Significant areas requiring the use of management estimates relate to the determination of the collectibility of accounts receivable, estimated useful life of property and equipment, the estimated usage of the banked sick time, and the amount of deferred revenue. Actual results could differ from those estimates. Adjustments, if any, will be reflected in operations in the period of settlement.

- Donated property and equipment

Donated property and equipment materials are recognized in the financial statements when their fair value can be reasonably determined and they are used in the normal course of the association's operations and would otherwise have been purchased.
